ABOUT US

Axiom-Egypt embodies a fresh chapter in the petroleum services industry, founded with a clear vision to redefine standards and drive innovation. As a startup, our journey is just beginning, marked by a passionate commitment to excellence and a drive to pioneer new solutions.

Our core principle centers around a dedication to excellence in every aspect of our services. We aim high, setting new benchmarks in preventive, predictive, and corrective maintenance services, ensuring that each project we undertake reflects our unwavering commitment to safety and reliability.

→ Mission

Our mission is to exceed our clients' expectations by providing quality, reliable, and integrated services. With a robust knowledge base, dedication, and motivated staff, we empower our team to deliver high-quality and reliable services consistently meeting the needs of clients and society.

→ Vision

We work to ensure that our clients' missions are met through our facility management solutions, adhering to international performance standards. By collaborating synergistically within our teams, we strive to continually expand our knowledge, skills, and professionalism. Our aim is to provide the most innovative, efficient, and effective practices, offering highly personalized service for our clients

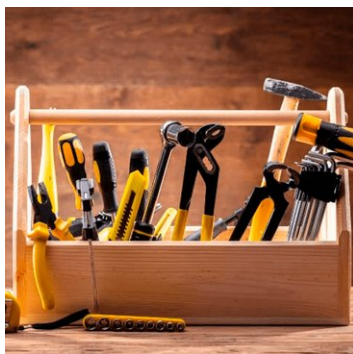

Scope Of Supply

- Hand Tools & Power Tools
- Welding Equipment
- Personal Protective Equipment (PPE)
- Lifting Equipment
- Cathodic Protection
- Valves , Fittings , Gaskets , Flanges & Stud Bolt
- Pigs , Pumps
- Fair Fighting
- Pipes Steel & Stainless Steel
- Electric Cables

Hand Tools & Power Tools

Axiom, specialize in all types of tools and equipment. We offer a wide range of products from various reputable brands."

"We supply products from these brands, but we are not their official agents."

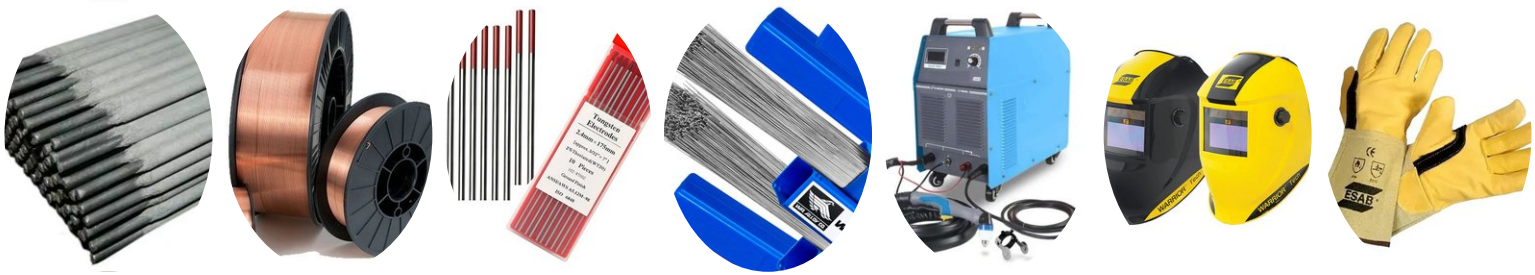

Welding Equipment

→ Welding consumable

- Stick Electrode
- Flux Cord Wire
- GTAW (TIG Rod)
- Saw

→ Welding Machine

- Stick
- Co2
- Plasma Cutting
- Submerged arc

"We supply products from these brands, but we are not their official agents."

Personal Protective Equipment (PPE)

workplace hazards that could cause injury or illness. PPE includes items such as helmets, gloves, safety glasses, ear protection, respirators, high-visibility clothing, and protective footwear.
